

**Consultation on the proposal to change Brantridge School  
to Co-educational provision**

**Frequently Asked Questions:**

1. What facilities will have to change throughout the school to accommodate this e.g. girls' toilets?  
*There will be some changes needed, but these will not need to be extensive. We will make provision for separate toilets and changing facilities.*
  
2. How will mixed groups have an impact during lessons?  
*There will be no change from the perspective of the curriculum. All pupils would be taught together as in the majority of mainstream schools.*
  
3. How will this change be communicated to our local authority providers?  
*All the commissioning local authorities are being consulted on this proposed change.*

If you have any further questions or concerns, please do not hesitate to contact the school and we will do our best to answer these.
